

Other Children at School Functions

We will have four special events throughout the year that require the use of parent volunteers to provide the supervision and assistance to our students. Once assigned a station, it is important that parents remain at that station to be able to interact with the children that come to do the activities. We know that many of you have babies, toddlers, and other children that you might like to have with you. However, our experience with these events have shown us that it is a difficult day for us to have extra children in the building. We respectfully request that you do not bring any other children to Clyde Howell for these events. The amount of movement by our students during these events makes for a crowded and busy environment. So, it is best for safety that we not have extra children at school during these activities. Thank you for your assistance with this matter and your understanding of our needs for a safe school day.
